

Commercial Rebates

WINDOW TREATMENTS & REPLACEMENTS

QUALIFICATIONS/GUIDELINES

1. Qualifying businesses must operate a minimum of 4 consecutive hours daily between 2 p.m. and 8 p.m. weekdays, May 1 through October 31.
2. The application must be submitted no later than 30 days following the installation. It must be **accompanied by the manufacturers' product information stating the rated shading coefficient** and warranty statement.
3. Qualified small business and non profit customers may be eligible to receive an additional 20% bonus on rebates.
4. The rebate payment cannot exceed 50% of the total job cost, which includes materials, installation and tax.
5. The installation must be warranted for one year and the materials for five years.
6. After receiving and reviewing your application, an Austin Energy Representative will schedule an inspection to verify the installation.
7. The customer will receive their rebate check 4 to 6 weeks from the date of the final inspection.

SPECIFIC QUALIFICATIONS

Rebates will be paid on actual square footage of glass that encloses a mechanically air conditioned space.

1. Eligible glass can be clear or factory tinted, single or double-pane and shaded no more than 50% by exterior shading during the months of May through October. **Windows with deteriorated film are eligible to receive rebates for the installation of new and qualifying window film or solar screens.**
2. Complete window replacements will be eligible for rebates based on solar heat gain coefficient (SHGC) of the new window. [SHGC must be 0.41 or less]
3. Eligible window orientations are south, east, west, southwest, southeast and northwest. North/northeast facing glass does not qualify for incentives. Horizontal skylights are eligible for rebates.
4. The treatment must be permanently affixed to the glass (film) or window frame (screen).
5. The installed treatment must have a shading coefficient rating of 0.45 or less to qualify for rebate funds.

The Austin Energy guidelines and rebate levels are subject to change at any time, without notice.

ADDITIONAL CUSTOMER AGREEMENT CLAUSE

As a qualified Austin Energy customer, I understand that the rebate I am applying for will under no circumstances exceed 50% of the installed cost of the work. I also agree to retain all qualifying equipment at the location in which it was originally installed, identified as the "installation address" on this application. The Customer is responsible for maintaining the operational efficiency of all qualifying measures for a period of no less than five (5) years from the date of this agreement. The Customer agrees to allow an Austin Energy Representative to inspect the referenced facility for compliance with this requirement for the duration of this agreement. In consideration of this rebate, customer assigns all rights to any and all environmental attributes and or credits, including any renewable energy credits, carbon offset credits, or similar environmental credits derived from the energy conservation associated with this rebate to Austin Energy for Austin Energy's use as it may choose.
