

Outage **Prep** Checklist

It's hard to know when you might have a power outage. These simple steps can help you be ready. Check off each item as you complete it.

Sign up for Outage Alerts. Text **REG** to **287846**.

Know how to report a power outage: online at **outagemap.austinenergy.com**, text **OUT** to **287846** or call **512-322-9100**

Know how to access and use the Outage Map: **outagemap.austinenergy.com**

Make sure Austin Energy has your current cell phone number and email address. Check your info at **coautilities.com** or **512-494-9400**.

Make an emergency outage kit specific to your household.

Gather insurance documents, personal records and other important papers in a safe, accessible, waterproof place.

Outage **Prep** Checklist

- Keep a printed list of emergency, family and neighbor contact info.
- Know how to stay safe around downed power lines, portable generators and other potential hazards.
- Create an evacuation plan in case you have to leave home.
- See if you qualify for the City of Austin's Medically Vulnerable Registry: **coutilities.com/go/mvr**
- Regularly back up your computer and phone data.
- Follow Austin Energy on social media and bookmark these webpages on your smart phone or tablet.
